

# African Decolonization Activity

Using the Bentley textbook (and/or reading) examine the African nationalist movements that led to independence post-WWII.

	<b>How independence achieved</b>	<b>Issues after independence</b>
Ghana (p. 897)		
Algeria (p. 895)		
Kenya (p. 898)		
Congo (see handout)		
South Africa (p. 899)		

## Define the following terms:

1. African Nationalism- (ch. 35)
2. Pan-Africanism- (ch. 35)
3. OPEC- (ch. 38)
4. Research online—which African nations are part of OPEC today?
5. Do you think being a part of OPEC is beneficial to these nations' governments? Explain.

Is it beneficial to the citizens of these nations? Explain.

**Color AND label each of the nations (via the chart) on the map.  
Also, include the year of independence.**

**Map Questions:**

1. How many nations were independent by 1960?
2. How many nations were NOT independent by 1960?
3. Compare the map of Africa in 1914 with the current map of Africa on my website.  
Which current nations have the same boundaries as the 1914 map?

List 3 areas that you feel have the biggest changes in boundaries since 1914.

4. Based upon what you have learned, why do you suppose those changes occurred?
